

**TRANSPORTATION ASSET MANAGEMENT COUNCIL**  
**MONTHLY REPORT: JANUARY 2003**

- The following meetings were held by the Asset Management Council:
  - Regular Council Meeting was held on January 8<sup>th</sup> in Lansing, Michigan at the Aeronautics Auditorium.
  - Administrative Committee met in Lansing on January 22<sup>nd</sup>.
  - Education & Outreach Committee met in Lansing on January 22<sup>nd</sup>.
  - Data Management Committee met in Lansing on January 24<sup>th</sup>.
  - Strategic Analysis Committee met in Lansing on January 30<sup>th</sup>.
- The Council unanimously approved the revised draft work program. Chair Palombo presented the work program to the State Transportation Commission, in accordance with the statute, at their January 30<sup>th</sup> meeting. Approval by the Commission is expected at their February meeting.
- The Council received an updated presentation on the results of the “pilot project” at the January 8<sup>th</sup> meeting. The presentation was conducted by Rick Lilly (staff coordinator) and Dave Gillis (director, Central Upper Peninsula Planning and Development Commission). The Council decided that this phase of the pilot project was now complete. It was also requested that members be given copies of the written reports and that the Council issue a final report regarding the pilot project.
- Public Presentations made during the month included:
  - Carmine Palombo – Strategy Forum
  - Rick Deuell – Rural Task Force
  - Rick Lilly – MDOT Regional Planning Staff
- Staff activities included:
  - Finalizing draft work program and developing presentation for the State Transportation Commission
  - Developing local agency survey regarding use of pavement management software
  - Beginning development of a Council web site
  - Completing the review of pertinent federal regulations
  - Providing Council members with copies of the “pilot study” reports
  - Preparing a set of slides for Council members to use when giving a presentation to public groups
